Explanatory notes to proposed resolutions**Ordinary resolutions**

For a resolution proposed as an ordinary resolution to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 1 – Annual report and financial statements

Resolution 1 is an ordinary resolution to receive the annual report and financial statements for the financial year ended 30 November 2018. Copies will be available at the AGM.

Resolution 2 – Directors' remuneration

Resolution 2 is an ordinary resolution to approve the Directors' Remuneration report, other than the part containing the directors' remuneration policy. In accordance with the Companies Act 2006 this vote is advisory only and the directors' entitlement to receive remuneration is not conditional on it. The resolution and vote provide a means for shareholders to give feedback to the Board on directors' remuneration. A resolution to approve the directors' remuneration policy (set out in full in the annual report and financial statements for the year ended 30 November 2016 which is available at www.stmodwen.co.uk) was approved by shareholders at the 2017 AGM. As required, the Company will at the next AGM in 2020 seek shareholder approval for a new directors' remuneration policy.

Resolution 3 – Declaration of final dividend

Resolution 3 is an ordinary resolution by which shareholders are asked to declare a final dividend. The directors recommend a final dividend for the financial year ended 30 November 2018 of 4.0 pence per ordinary share. If approved, this will be paid on 4 April 2019 to shareholders on the register of members at the close of business on 8 March 2019.

Resolutions 4 to 10 – Election and re-election of directors

Resolutions 4 to 10 are ordinary resolutions which deal with the election and re-election of the directors. In accordance with the Company's Articles of Association and the UK Corporate Governance Code, all directors must retire at each AGM and shall, subject to his or her terms of appointment, be eligible for election or re-election.

NOTICE OF ANNUAL GENERAL MEETING CONTINUED

Following her appointment to the Board on 1 October 2018, Danuta Gray will retire and offer herself for election.

As announced, Bill Shannon will not be standing for re-election at the AGM. All other directors will retire and offer themselves for re-election.

Biographical details of all directors are set out on pages 70 and 71. The performance of and contribution made by individual directors has been reviewed by the Chairman during the course of the year and the Chairman has confirmed that the performance of each director continues to be effective, that they continue to demonstrate commitment to their respective roles, and that their respective skills complement one another to enhance the overall operation of the Board. The Board therefore recommends the reappointment of all directors standing for re-election. Further supporting information regarding the non-executive directors can be found below.

Danuta Gray (resolution 4)

Danuta was appointed to the Board in October 2018 as Chair Designate and sits on the Remuneration and Nomination Committees. Provided resolution 4 is approved by shareholders, she will assume the role of Chairman and Nomination Committee Chair from Bill Shannon following the conclusion of the 2019 AGM.

Danuta has joined the Company with significant Board and leadership experience. Until 2012 she was Chair of Telefónica O2 in Ireland, having previously been its Chief Executive Officer from 2001 to 2010 and has served as a non-executive director on a number of Boards, across the global telecommunications and IT, consumer and financial services sectors.

Ian Bull (resolution 6)

Ian was appointed to the Board in September 2014 and is Chairman of the Audit Committee and Senior Independent Director (since March 2018). His career in finance spans over 25 years, including board level finance roles at Ladbrokes plc and Greene King plc. Ian brings to the Board a wealth of corporate and financial knowledge, together with a sound understanding of accounting and regulatory matters.

During the past year, as Audit Committee Chair, he has ensured that the Audit Committee considered risk and various new financial compliance requirements including new reporting standards. As Senior Independent Director, Ian led the search for the Chair Designate, Danuta Gray.

Simon Clarke (resolution 7)

Simon was appointed to the Board in October 2004 following the death of his father, Sir Stanley Clarke, the founder and former Chairman of the Company. He is currently Chairman of Dunstall Holdings Ltd, Trustee of Racing Welfare and Chairman of Racing Homes.

Whilst not considered to be independent for the purposes of the UK Corporate Governance Code, as the longest serving director Simon brings continuity and extensive knowledge of the business to the Board as well as strong commercial and management experience.

Jenefer Greenwood, OBE (resolution 8)

Jenefer was appointed to the Board in June 2017 and was appointed Chairman of the Remuneration Committee in March 2018 and is a member of the Audit and Nomination Committees. She has over 30 years' experience and knowledge of the real estate sector starting with Hillier Parker and subsequently working for Grosvenor Ltd until 2012 when she retired as director of sales and lettings.

Jenefer has strengthened further the existing expertise of the Board in relation to real estate and has effectively assumed the role of Remuneration Committee Chair.

Jamie Hopkins (resolution 9)

Jamie was appointed to the Board as a non-executive director with effect from 1 March 2018. Chief Executive of Workspace Group plc since 2012, he is experienced in real estate, asset management services and acquisitions in both public and private companies, as well as having strong operational skills including in financing and reporting. Jamie complements the Board's skillsets and expertise and brings current commercial experience.

Resolutions 11 and 12 – Auditor appointment and remuneration

At last year's AGM shareholders appointed KPMG as auditor of the Company to hold office until the conclusion of the 2019 AGM. KPMG has expressed a willingness to continue in office and the Audit Committee has reviewed the effectiveness of the audit process and recommends their re-appointment. Therefore resolutions 11 and 12 are ordinary resolutions to re-appoint KPMG LLP as auditor until the conclusion of the next general meeting at which accounts are laid before the Company and to authorise the Audit Committee to determine their remuneration on behalf of the Board.

Resolution 13 – Authority to allot shares

The authority conferred on the directors at last year's AGM to allot shares in the Company expires at the conclusion of the 2019 AGM. Resolution 13 is an ordinary resolution to renew this authority.

The Investment Association (IA) guidelines on directors' authority to allot shares state that IA members will permit, and treat as routine, resolutions seeking authority to allot new shares representing up to one-third of a company's issued share capital. In addition, they will treat as routine a request for authority to allot shares representing an additional one-third of a company's issued share capital provided that it is only used to allot shares pursuant to a fully pre-emptive rights issue.

Paragraph (a) of resolution 13 will, if resolution 13 is passed, authorise the directors to allot shares up to a maximum aggregate nominal amount of £7,412,566, which represents one-third of the Company's issued ordinary share capital as at 8 February 2019 (being the latest practicable date prior to the publication of the notice of AGM). Paragraph (b) of resolution 13 proposes that, in accordance with IA guidance, an additional authority be conferred on the directors to allot shares in connection with a rights issue up to a further maximum aggregate nominal amount of £7,412,566.

The authorities sought in paragraphs (a) and (b) of resolution 13 are in substitution for all existing authorities granted in the Company's Articles of Association or otherwise, and are without prejudice to previous allotments or agreements or offers to allot made under such existing authorities. The authorities will each expire at the earlier of the conclusion of the next AGM of the Company or 28 June 2020.

The directors have no present intention of exercising these authorities other than to fulfil the Company's obligations under its share incentive plans approved previously by shareholders, but believe that it is in the best interests of the Company to have the authorities available to respond to market developments and to enable allotments to take place without the need for a general meeting should they determine that it is appropriate to do so.

Special resolutions

For a resolution proposed as a special resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolutions 14 and 15 – Authority to disapply pre-emption rights

If the directors wish to allot new shares or other equity securities, company law requires that these shares are offered first to shareholders in proportion to their existing holdings. At last year's AGM a special resolution was passed, under section 570 of the Companies Act 2006, empowering the directors to allot equity securities for cash without first being required to offer such shares to existing shareholders. It is proposed that this authority be renewed in line with institutional shareholder guidelines.

Under resolution 14, it is proposed that the directors be authorised to issue shares for cash and/or sell shares from treasury (if any are so held) without offering them first to existing shareholders in proportion to their current holdings:

- (a) in respect of a rights issue, open offer or other offer that generally provides existing shareholders with the opportunity to subscribe for new shares pro rata to their existing holdings. This part of the authority is designed to give the directors flexibility to exclude certain shareholders from such an offer where the directors consider it necessary or desirable to do so in order to avoid legal, regulatory or practical problems that would otherwise arise; or
- (b) up to an aggregate nominal amount of £1,111,884 (up to 11,118,840 new ordinary shares of 10 pence each). This amount represents approximately 5% of the Company's issued ordinary share capital as at 8 February 2019 (being the latest practicable date prior to the publication of the notice of AGM). This part of the authority is designed to provide the Board with flexibility to raise further equity funding and to pursue acquisition opportunities as and when they may arise.

The authority proposed under resolution 15 is in addition to the authority granted by resolution 14. Under resolution 15, it is proposed that the directors be authorised to disapply statutory pre-emption rights in respect of an additional 5% of the Company's issued ordinary share capital as at 8 February 2019 (being the latest practicable date prior to the publication of the notice of AGM). This further authority may only be used in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or that has taken place in the preceding six-month period and is disclosed in the announcement of the issue as contemplated by the Pre-Emption Group's March 2015 Statement of Principles.

Excluding any shares issued in connection with an acquisition or specified capital investment as described above, the directors do not intend to issue more than 7.5% of the Company's issued ordinary share capital on a non-pre-emptive basis in any rolling three-year period without prior consultation with shareholders.

The authorities sought in resolutions 14 and 15 are in substitution for all existing authorities granted in the Company's Articles of Association or otherwise, and are without prejudice to previous allotments or agreements or offers to allot made under such existing authorities. The authorities will each expire at the earlier of the conclusion of the next AGM of the Company or 28 June 2020.

The directors have no present intention of exercising these authorities other than to fulfil the Company's obligations under its share incentive plans approved by shareholders, but consider it prudent to obtain the flexibility that these authorities provide.

Resolution 16 – Authority to purchase shares

Resolution 16 is a special resolution to renew the authority granted to the directors at last year's AGM to make purchases of its own ordinary shares through the market as permitted by the Companies Act 2006 and in line with institutional shareholder guidelines. No shares were purchased during the year and the Company does not hold any shares in treasury.

If passed, the resolution gives authority for the Company to purchase up to 22,237,698 of its ordinary shares, which represents 10% of the Company's issued ordinary share capital as at 8 February 2019 (being the latest practicable date prior to the publication of the notice of AGM). The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The authority will expire at the earlier of the conclusion of the next AGM of the Company and 28 June 2020.

The directors have no present intention for the Company to exercise the authority granted by this resolution to purchase its own shares. They would do so only after taking account of the overall financial position of the Company and in circumstances where to do so would be regarded by the Board as being in the best interests of shareholders generally and result in an increase in earnings per ordinary share. The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them).

As at 8 February 2019 (being the latest practicable date prior to the publication of the notice of AGM), the Company had options outstanding over 7,363,083 ordinary shares, representing 3.31% of the issued share capital on that date. If the Company was to purchase the maximum number of shares permitted pursuant to this resolution, the options outstanding at 8 February 2019 would represent 4.14% of the issued share capital.

Resolution 17 – Notice period of general meetings

The Company must give at least 21 clear days' notice of any general meeting, but is permitted to call meetings other than the AGM on at least 14 clear days' notice if annual shareholder approval is obtained beforehand. The Company must also offer, for any meeting held on less than 21 clear days' notice, a facility to vote by electronic means that is accessible to all shareholders.

Resolution 17 is a special resolution to renew the authority granted at last year's AGM to allow the Company to hold general meetings (other than AGMs) on not less than 14 clear days' notice. This authority will be effective until the Company's next AGM.

The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

NOTICE OF ANNUAL GENERAL MEETING CONTINUED

Shareholder notes

1. Entitlement to attend and vote

To be entitled to attend and vote at the AGM (and for the purpose of determining the number of votes they may cast), shareholders must be entered on the Company's register of members at 6.30pm on Wednesday, 27 March 2019 (or, in the event of any adjournment, at 6.30pm on the date which is two days before the date of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting in respect of the number of shares registered in their name at that time. It is proposed that all votes on the resolutions at the AGM will be taken by way of a poll.

2. Appointment of proxies – general

A shareholder entitled to attend and vote at the meeting convened by the notice of AGM is entitled to appoint a proxy to exercise all or any of his or her rights to attend and to speak and vote on his or her behalf at the meeting. A shareholder may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company but must attend the meeting in person.

For the appointment to be effective, a proxy form (or electronic appointment of proxy, see note 4 below) must be received by the Company's registrar not less than 48 hours before the time of the meeting, i.e. not later than 12.00 noon on Wednesday, 27 March 2019. The appointment of a proxy will not prevent a shareholder from subsequently attending the meeting and voting in person if he or she is entitled to do so and so wishes.

3. Appointment of proxies – proxy form

A form which may be used to appoint a proxy and give proxy instructions has been sent to shareholders. If you do not have a proxy form and believe that you should have one, or if you require additional forms to appoint more than one proxy, please contact the Company's registrars, Equiniti, on 0371 384 2198 (overseas callers should dial +44 (0)121 415 7047). Lines are open from 8.30am to 5.30pm (UK time), Monday to Friday, excluding public holidays in England and Wales. Alternatively, photocopy the proxy form which has been sent to you. All forms must be signed and should be returned together in the same envelope.

The notes to the proxy form explain how to direct your proxy to vote on each resolution or withhold their vote. Please note that the vote withheld option on the proxy form is provided to enable you to abstain on any particular resolution; it is not a vote in law and will not be counted in the calculation of votes for or against the resolution. If you sign the proxy form and return it without any specific directions your proxy will vote or abstain from voting at his or her discretion. If you wish to appoint a proxy other than the Chairman of the meeting, please insert the name of your chosen proxy holder in the space provided on the proxy form. If the proxy is being appointed in relation to less than your full voting entitlement, please enter in the box next to the proxy holder's name the number of shares in relation to which they are authorised to act as your proxy. If left blank your proxy will be deemed to be authorised in respect of your full voting entitlement (or if the proxy form has been issued in respect of a designated account for a shareholder, the full voting entitlement for that designated account).

In the case of joint holders, the vote of the senior joint holder who tenders a vote, whether in person or by proxy, in respect of the holding will be accepted to the exclusion of the votes of the other joint holders. For this purpose seniority is determined by the order in which the names appear in the Company's register of members in respect of the joint holding. In the case of a corporate

shareholder, the proxy form must be executed under its common seal or signed on its behalf by a duly authorised officer or attorney. In the case of an individual, the proxy form must be signed by the appointing shareholder. Any alterations made to the proxy form should be initialled.

4. Appointment of proxies electronically

Shareholders who would prefer to register the appointment of their proxy electronically via the internet can do so through Equiniti's website at www.sharevote.co.uk using their personal Voting ID, Task ID and Shareholder Reference Number (which are printed on the proxy form). Alternatively, shareholders who have already registered with Equiniti's online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk using your usual user ID and password. Once logged in simply click 'View' on the 'My Investments' page, click on the link to vote then follow the on-screen instructions. A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 12.00 noon on Wednesday, 27 March 2019.

5. Appointment of proxies through CREST

CREST members who wish to appoint a proxy or proxies for the AGM, and any adjournment(s) thereof, through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Ltd's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual (available at www.euroclear.com). The message, regardless of whether it relates to the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti (ID RA19) by the latest time for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which Equiniti is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. Changing and revoking proxy instructions

To change your proxy instruction simply submit a new proxy appointment using the methods set out above. Where two or more valid separate appointments of proxy are received in respect of the same share and for the same meeting, those received last by Equiniti will take precedence.

In order to revoke a proxy instruction, a shareholder will need to inform the Company by sending a signed hard copy notice clearly stating his/her intention to revoke a proxy appointment to Equiniti Ltd, Aspect House, Spencer Road, Lancing BN99 6DA. In the case of a corporate shareholder, the revocation notice must be executed under its common seal or signed on its behalf by a duly authorised officer or attorney. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power of attorney) must be included with the revocation notice. Termination of proxy appointments made through CREST must be made in accordance with the procedures described in the CREST Manual.

7. Corporate representatives

A corporate shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares. Representatives of shareholders that are corporations will have to produce evidence of their proper appointment when attending the AGM. Please contact Equiniti for further guidance.

8. Nominated persons

Any person to whom this notice is sent who is not a shareholder but is a person nominated by a shareholder under section 146 of the Companies Act 2006 to enjoy information rights (a Nominated Person) may, under an agreement with the shareholder who nominated him/her, have a right to be appointed, or have someone else appointed, as a proxy for the AGM. If a Nominated Person has no such right or does not wish to exercise it, he/she may, under any such agreement, have a right to give voting instructions to the shareholder.

The statement of the rights of shareholders in relation to the appointment of proxies set out in notes 2 to 7 above does not apply to Nominated Persons. The rights described in those notes can only be exercised by shareholders of the Company. If you are a Nominated Person it is important to remember that your main contact in terms of your investment remains the registered shareholder or the custodian or broker who administers the investment on your behalf.

9. Shareholder participation

Any shareholder attending the AGM has the right to ask questions relating to the business of the meeting and the Company has an obligation to answer such questions unless (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (ii) the answer has already been given on a website in the form of an answer to a question, or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

10. Availability of information on a website

A copy of this notice of AGM, and other information required by section 311A of the Companies Act 2006, can be found on the Company's website at www.stmodwen.co.uk.

11. Website publication of audit concerns
