RECOMMENDED CASH ACQUISITION

of

St. Modwen Properties PLC

by

Brighton Bidco Limited

(a newly formed company indirectly owned by investment funds advised by Blackstone)

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

Summary

- The directors of Brighton Bidco Limited (“**Bidco**”) and the directors of St. Modwen Properties PLC (“**St. Modwen**”) are pleased to announce that they have reached agreement on the terms and conditions of a recommended all cash offer by Bidco for the entire issued, and to be issued, ordinary share capital of St. Modwen. It is intended that the Acquisition will be implemented by way of a scheme of arrangement.
- Under the terms of the Acquisition, each St. Modwen Shareholder will be entitled to receive:

for each St. Modwen Share: 542 pence in cash

- The Acquisition price per St. Modwen Share represents a premium of approximately:
 - 21.1 per cent. to the Closing Price of 448 pence on 6 May 2021 (being the last Business Day before the commencement of the offer period);
 - 33.7 per cent. to the volume-weighted average St. Modwen share price of 405 pence over the 90-day period ending on 6 May 2021 (being the last Business Day before the commencement of the offer period);

- 37.2 per cent. to the volume-weighted average St. Modwen share price of 395 pence over the 180-day period ending on 6 May 2021 (being the last Business Day before the commencement of the offer period); and
- 23.8 per cent. to St. Modwen's reported 2020 EPRA Net Tangible Assets Per Share of 438 pence.
- The Acquisition values St. Modwen's entire issued, and to be issued, ordinary share capital at approximately £1,237 million.
- If, on or after the date of this announcement and before the Effective Date, any dividend and/or other distribution and/or other return of capital is declared, made or paid or becomes payable in respect of the St. Modwen Shares, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition for the St. Modwen Shares by an amount up to the amount of such dividend and/or distribution and/or return of capital, in which case any reference in this announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition. In such circumstances, St. Modwen Shareholders would be entitled to retain any such dividend, distribution and/or other return of capital declared, made or paid.
- The Scheme Document will contain a valuation in respect of St. Modwen's property portfolio as at 31 May 2021 in accordance with Rule 29 of the Takeover Code.

Recommendation

- The St. Modwen Directors, who have been so advised by Lazard, J.P. Morgan Cazenove and Numis as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their financial advice, Lazard, J.P. Morgan Cazenove and Numis have taken into account the commercial assessments of the St. Modwen Directors. Lazard and Numis are each providing independent financial advice to the St. Modwen Directors for the purposes of Rule 3 of the Takeover Code.
- Accordingly, the St. Modwen Directors confirm they intend to recommend unanimously that the St. Modwen Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting, as they have irrevocably undertaken to do in respect of their own beneficial holdings which are under their control of, in aggregate, 3,042,309 St. Modwen Shares representing approximately 1.37 per cent. of the issued ordinary share capital of St. Modwen on 19 May 2021 (being the last Business Day before the date of this announcement). Further details of these undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this announcement.

Background to and reasons for Recommendation

- Over the last four years, St. Modwen has reshaped its business to focus on two sectors with long-term structural growth trends, logistics and housebuilding. Apart from in 2020, which was impacted by Covid-19, St. Modwen has delivered underlying total accounting returns of between 6.0% and 6.3% during this period, at the same time as reducing leverage and

recycling capital from legacy assets into its development pipeline. Today, St. Modwen has high quality, scalable platforms and substantial pipelines in both logistics and housebuilding, supported by its strategic land and regeneration capability.

- The Board believes that St. Modwen's high quality product, pipeline, development expertise and strong capital base provide a foundation for continued growth, with a targeted improvement in total accounting return to c.9-10% in the medium term, assuming current market conditions persist. Since the start of this year, overall operational performance has been in line with the Board's expectations. The Board remains confident in St. Modwen's strategy and continues to believe that St. Modwen is well positioned to succeed as an independent business but has concluded that the Acquisition presents shareholders with a significant acceleration of this value creation.

St. Modwen Logistics

- St. Modwen Logistics consists of a growing and resilient income-producing portfolio focused on modern urban and big box warehouses and a landbank with the potential to deliver c.19m sq ft of new logistics space at an average yield on cost of c.7-8%, of which c.7.6m sq ft (representing 40% of the pipeline by space as at 30 November 2020) is committed or consented. The Company is on track to deliver 1.5m sq ft of new developments during 2021, of which 10% is pre-let, with a further 16% under offer, on average 1.6% ahead of expected ERV. 2020 completions are currently 91% let or under offer, up from 81% since February 2021.
- The Board has taken into account the pace of capital growth in the industrial property market, as evidenced by recent MSCI data (+7.2% for the UK excluding the South East in the five-month period between November and April), which it expects to be reflected in the next portfolio revaluation as at 31 May 2021, and the potential for further yield compression. In assessing the value creation opportunity within its landbank, and the timing thereof, the Board recognises that c.60% (c.12m sq ft) of the landbank does not currently have planning consent; specifically, c.30% of the planned development in FY23 remains subject to planning consent, rising to c.85% in FY25.
- Delivery of this development potential will require significant additional capital, an acceleration in the pace of delivery from 1.2m sq ft in 2020 to up to c.2m sq ft per year from 2022, and further growth in occupier demand in the Midlands and West of England where St. Modwen's land holdings are concentrated. Based on a recently completed independent external valuation, the Board believes the book value of the land options in the c.12m sq ft controlled pipeline (which was c.£11m as at 30 November 2020) to be an accurate reflection of their current market value.

St. Modwen Homes

- St. Modwen Homes ("SMH") was established in 2012 and has since grown to delivering 1,060 units in 2019 and 948 units in 2020 (despite c.9-10 weeks of lost production due to the national lockdown in the spring) with a high quality, affordable family product and 5,900 plot pipeline in attractive regions.
- Despite SMH's strong growth, the business remains smaller in scale than the majority of its listed peers which is reflected in SMH's lower operating and financial metrics. The Company is on track to increase completions by c.25% and operating margin to c.14.5% in

2021, supported by recent positive trends in house prices. With an average sales rate of 0.86 over the last 12 weeks, the Company expects to complete c.450 units during the half year ending on 31 May 2021 (vs. 411 in H1 2019 and 280 in H1 2020).

- The Company intends to grow completions to c.1,500 units by 2023 as the pipeline is built out and has also outlined its plan to increase operating margins to c.16-17% by 2023. This margin improvement is expected to be driven by an improvement in the gross margin embedded within the existing landbank of 19.5%, identified operational efficiencies, and assumed additional land acquisitions with a target gross margin of at least 22% to deliver c.19% of the targeted completions in 2023.
- Whilst the Board remains confident of the scope for improving both the SMH operating margin and ROCE (which was 11.4% in 2019 and 7.7% in 2020) over time, it recognises the extended period of time required to deliver these improvements, as well as the inherent cyclicity in the housebuilding market.

Strategic Land & Regeneration

- Strategic Land & Regeneration (“SL&R”) consists of a mixture of residential land, long-term regeneration sites and non-core retail and other assets. The Company’s strong land repositioning capability enables the long-term value creation in its logistics and housebuilding businesses, but the existing SL&R portfolio also includes several assets which do not support these sectors, or which, due to their size or other characteristics, are too long-dated and do not meet St. Modwen’s return requirements.
- Since 2017, the SL&R portfolio has reduced in size from £1.2bn to £332m (as at 30 November 2020), due to a combination of disposals and, in 2020, £121m of write-downs on residential land and retail assets. The Company plans to sell £180-200m of SL&R assets by 2023 (of which £33m has already been sold or contracted for sale). The disposal programme includes a number of large assets with unique characteristics and others which require considerable investment in order to sell, and of the £332m portfolio, c.£100m is expected to be disposed beyond 2023.

Conclusion

- The proposed acquisition of St. Modwen by Bidco follows the receipt of multiple proposals from Blackstone negotiated over an approximately 10 week period since St Modwen’s preliminary results announcement in February 2021 at which St. Modwen set out its strategy for the business. The Board believes that the Acquisition is in the best interests of St. Modwen shareholders by significantly accelerating the value that could be realised by St. Modwen independently. In reaching its conclusion, the Board has considered the following in particular:
 - the risk-adjusted returns that may be generated by St. Modwen’s strategy as compared with the certainty of execution of the Acquisition, which represents an acceleration of expected value creation;
 - that the offer price of 542 pence per St. Modwen share represents a premium of 23.8% to EPRA Net Tangible Assets Per Share of 438 pence as at 30 November 2020;

- that the offer price of 542 pence per St. Modwen share represents premia of 21.1% to the unaffected share price of 448 pence as at 6 May 2021, 37.2% to the volume weighted average share price of 395 pence over the 180-day period ending on 6 May 2021, and 39.0% to the share price of 390 pence as at 22 February 2021 prior to Blackstone's first proposal;
- that the offer price of 542 pence per St. Modwen share exceeds the highest share price of 530 pence since the global financial crisis;
- that the Acquisition provides St. Modwen shareholders with the opportunity to realise the entirety of their interests in cash; and
- the impact of the Acquisition on all of St. Modwen's stakeholders, including the importance of St. Modwen's employees to Blackstone's future strategy.

Background to and reasons for the Acquisition

- Blackstone is a global leader in real estate investing with \$196 billion of investor capital under management dedicated to real estate. The Blackstone Real Estate group is highly active in both the logistics and residential segments. Blackstone's pan-European logistics real estate platform, Mileway, is a leading urban logistics real estate business in Europe and the UK where it owns a 48m square foot urban logistics portfolio. In the UK residential sector, Blackstone's Sage Housing platform is a registered provider of affordable housing, working with the largest homebuilders to deliver new housing for shared ownership and low-cost rental homes. Over the past three years, Sage Housing has delivered over 3,000 homes, with a pipeline of more than 14,000 under contract.
- Bidco believes that while St. Modwen's core logistics and residential business divisions each operate in attractive markets, realising the full potential of each division will require significant incremental scale and equity capital, which Bidco believes it is in a better position to provide to each business as a private company than St. Modwen can as a public company.
- St. Modwen Logistics would be a complementary addition to Mileway's existing portfolio and development activities. Bidco believes St. Modwen Logistics would be further enhanced by being part of Mileway's broader pan-European platform. St. Modwen Logistics will require significant incremental capital to realise its full potential.
- In order to maximise St. Modwen Homes' full potential and achieve management's objective of accelerating growth and operational efficiencies through scale, Bidco believes that St. Modwen Homes would benefit from the incremental growth and capital investment opportunities that private ownership can bring.

Timetable and conditions

- It is intended that the Acquisition will be implemented by way of a court-sanctioned scheme of arrangement under Part 26 of the 2006 Act (although Bidco reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel and the terms of the Cooperation Agreement).

- The Conditions to the Acquisition are set out in full in Appendix 1 to this announcement along with certain other terms; the full terms and conditions will be provided in the Scheme Document. The Conditions include the anti-trust Condition set out in paragraph 3(a) of Appendix 1 to this announcement. This Condition is expected to be satisfied in time to allow for the Scheme to become effective during July 2021.
- It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and St. Modwen General Meeting, together with the associated forms of proxy, will be posted to St. Modwen Shareholders within 28 days of this announcement (or such later time as St. Modwen, Bidco and the Panel agree) and the Meetings are expected to be held shortly thereafter. The Acquisition is currently expected to complete during July 2021. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document. An updated valuation in respect of land options in St. Modwen's controlled pipeline will be made available on St. Modwen's and Bidco's websites at www.stmodwen.co.uk/investors and www.publishdocuments.co.uk by the time the Scheme Document is published.

Irrevocable undertakings

- In addition to the irrevocable undertakings referred to above received from the St. Modwen Directors, Bidco has also received irrevocable undertakings to vote in favour of the resolutions relating to the Acquisition at the Meetings (or in the event that the Acquisition is implemented by an Offer, to accept such Offer) from members of the Clarke family in respect of 11,621,472 St. Modwen Shares, representing approximately 5.22 per cent. of the issued ordinary share capital of St. Modwen on 19 May 2021 (being the last Business Day prior to the date of this announcement).
- In total, therefore, Bidco has procured irrevocable undertakings to vote in favour of the resolutions relating to the Acquisition at the Meetings (or in the event that the Acquisition is implemented by an Offer, to accept such Offer), including those from the St. Modwen Directors who own St. Modwen Shares, in respect of, in aggregate, 14,663,781 St. Modwen Shares, representing approximately 6.59 per cent. of issued ordinary share capital of St. Modwen on 19 May 2021 (being the Business Day prior to this announcement). Further details of these irrevocable undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this announcement.

Information relating to St. Modwen

- St. Modwen is a UK-based real estate developer and investor and a constituent of the FTSE 250. Established in 1966 and headquartered in Longbridge, Birmingham, St. Modwen operates across three specialist divisions: St. Modwen Logistics, St. Modwen Homes and Strategic Land & Regeneration. The Company is active across England and South Wales with a portfolio totalling £1.37bn as at 30 November 2020.
- St. Modwen Logistics (49% of the portfolio by value as at 30 November 2020) designs, builds, owns and manages industrial and logistics assets in the UK. As one of the UK’s most active developers of speculative and built-to-suit logistics buildings, St. Modwen Logistics’ commercial development activity is focused on sites concentrated around major infrastructure and conurbations. Customers include some of the world’s biggest logistics and e-commerce organisations as well as significant national and regional enterprises.
- St. Modwen Homes (27% of the portfolio by value as at 30 November 2020) delivers high quality family housing primarily to first time buyers in attractive regional markets across the UK. SMH currently delivers around 1,000 units per annum with an affordable private average selling price of c.£277,000, and in 2020 achieved a 96% HBF customer satisfaction score, which is the second highest among large housebuilders, and a net promoter score of 74, ranking consistently above the wider sector.
- Strategic Land & Regeneration (24% of the portfolio by value as at 30 November 2020) focuses on the promotion and master development of land, primarily for residential and logistics uses, as well as delivering transformational regeneration projects. The division is delivering development land to St. Modwen Homes, St. Modwen Logistics, and third-party housebuilders and has over 20,000 strategic residential plots in the pipeline. The majority of the division’s existing portfolio is earmarked to be sold, as it is no longer core to St. Modwen’s strategy.
- Commenting on the Acquisition, Danuta Gray, the Chair of St. Modwen, said:

“Over the last four years, St. Modwen has successfully reshaped its business to focus on logistics and housebuilding. Whilst both sectors benefit from long term structural growth trends, St. Modwen’s financial position is strong and there is a solid strategy in place, the quantum and timing of generating shareholder value is naturally subject to execution risk.

The Board has therefore been able to evaluate today’s recommendation from a position of strength. Mindful of the pace of capital growth in the UK logistics market in particular and the future growth potential in our logistics and housebuilding businesses, initial approaches were rejected. However, following careful consideration we believe this offer is in the best interests of St. Modwen shareholders and significantly accelerates the value that could be realised by St. Modwen if it were to remain independent. Additionally, the

Board is reassured by Blackstone’s views and approach to investing in the business and supporting our people.”

- Commenting on the Acquisition, James Seppala, Head of Blackstone Real Estate Europe, said:

“Our strong conviction in the UK, together with St. Modwen’s high-quality asset base, its team, and its operational capabilities, give us confidence we can further build on the company’s successes. We look forward to working with the talented team at St. Modwen in the years ahead.”

Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco and St. Modwen about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Bidco and St. Modwen (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "intends", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should",

“would”, “might” or “will” be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco's, St. Modwen's, any member of the Bidco Group's or any member of St. Modwen Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco's, St. Modwen's, any member of the Bidco Group's or any member of the St. Modwen Group's business.

Although Bidco and St. Modwen believe that the expectations reflected in such forward-looking statements are reasonable, Bidco and St. Modwen can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco and St. Modwen operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Bidco and St. Modwen operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither Bidco nor St. Modwen, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Given these risks and uncertainties, potential investors are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the St. Modwen Group, there may be additional changes to the St. Modwen Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

Other than in accordance with their legal or regulatory obligations, neither Bidco nor St. Modwen is under any obligation, and Bidco and St. Modwen expressly disclaim any intention

or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

RECOMMENDED CASH ACQUISITION

of

St. Modwen Properties PLC

by

Brighton Bidco Limited

**(a newly formed company indirectly owned by
investment funds advised by Blackstone)**

**to be effected by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The directors of Brighton Bidco Limited (“**Bidco**”) and the directors of St. Modwen Properties PLC (“**St. Modwen**”) are pleased to announce that they have reached agreement on the terms and conditions of a recommended all cash offer by Bidco for the entire issued, and to be issued, ordinary share capital of St. Modwen.

It is intended that the Acquisition will be implemented by way of a court-sanctioned scheme of arrangement under Part 26 of the 2006 Act (although Bidco reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel and the terms of the Cooperation Agreement). The Conditions to the Acquisition are set out in full in Appendix 1 to this announcement.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and the full terms and conditions to be set out in the Scheme Document, each St. Modwen Shareholder will be entitled to receive:

for each St. Modwen Share: 542 pence in cash

The Acquisition price per St. Modwen Share represents a premium of approximately:

- 21.1 per cent. to the Closing Price of 448 pence on 6 May 2021 (being the last Business Day before the commencement of the offer period);
- 33.7 per cent. to the volume-weighted average St. Modwen share price of 405 pence over the 90-day period ending on 6 May 2021 (being the last Business Day before the commencement of the offer period);
- 37.2 per cent. to the volume-weighted average St. Modwen share price of 395 pence over the 180-day period ending on 6 May 2021 (being the last Business Day before the commencement of the offer period); and
- 23.8 per cent. to St. Modwen's reported 2020 EPRA Net Tangible Assets Per Share of 438 pence.

The Acquisition values St. Modwen's entire issued, and to be issued, ordinary share capital at approximately £1,237 million.

The St. Modwen Shares will be acquired pursuant to the Acquisition fully paid and free from all liens, charges, equities, encumbrances, rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto, including without limitation voting rights and the right to receive and retain in full all dividends and other distributions (if any) announced, declared, made or paid with a record date on or after the Scheme Record Time.

If, on or after the date of this announcement and before the Effective Date, any dividend and/or other distribution and/or other return of capital is declared, made or paid or becomes payable in respect of the St. Modwen Shares, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition for the St. Modwen Shares by an amount up to the amount of such dividend and/or distribution and/or return of capital, in which case any reference in this announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition. In such circumstances, St. Modwen Shareholders would be entitled to retain any such dividend, distribution and/or other return of capital declared, made or paid.

The Scheme Document will contain a valuation in respect of St. Modwen's property portfolio as at 31 May 2021 in accordance with Rule 29 of the Takeover Code.

3. Recommendation

The St. Modwen Directors, who have been so advised by Lazard, J.P. Morgan Cazenove and Numis as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their financial advice, Lazard, J.P. Morgan Cazenove and Numis have taken into account the commercial assessments of the St. Modwen Directors. Lazard and Numis are each providing independent financial advice to the St. Modwen Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the St. Modwen Directors confirm they intend to recommend unanimously that the St. Modwen Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting, as they have irrevocably undertaken to do

in respect of their own beneficial holdings which are under their control of, in aggregate, 3,042,309 St. Modwen Shares representing approximately 1.37 per cent. of the issued ordinary share capital of St. Modwen on 19 May 2021 (being the last Business Day before the date of this announcement). Further details of these undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this announcement.

4. Background to and reasons for the recommendation

Over the last four years, St. Modwen has reshaped its business to focus on two sectors with long-term structural growth trends, logistics and housebuilding. Apart from in 2020, which was impacted by Covid-19, St. Modwen has delivered underlying total accounting returns of between 6.0% and 6.3% during this period, at the same time as reducing leverage and recycling capital from legacy assets into its development pipeline. Today, St. Modwen has high quality, scalable platforms and substantial pipelines in both logistics and housebuilding, supported by its strategic land and regeneration capability.

The Board believes that St. Modwen's high quality product, pipeline, development expertise and strong capital base provide a foundation for continued growth, with a targeted improvement in total accounting return to c.9-10% in the medium term, assuming current market conditions persist. Since the start of this year, overall operational performance has been in line with the Board's expectations. The Board remains confident in St. Modwen's strategy and continues to believe that St. Modwen is well positioned to succeed as an independent business but has concluded that the Acquisition presents shareholders with a significant acceleration of this value creation.

St. Modwen Logistics

St. Modwen Logistics consists of a growing and resilient income-producing portfolio focused on modern urban and big box warehouses and a landbank with the potential to deliver c.19m sq ft of new logistics space at an average yield on cost of c.7-8%, of which c.7.6m sq ft (representing 40% of the pipeline by space as at 30 November 2020) is committed or consented. The Company is on track to deliver 1.5m sq ft of new developments during 2021, of which 10% is pre-let, with a further 16% under offer, on average 1.6% ahead of expected ERV. 2020 completions are currently 91% let or under offer, up from 81% since February 2021.

The Board has taken into account the pace of capital growth in the industrial property market, as evidenced by recent MSCI data (+7.2% for the UK excluding the South East in the five-month period between November and April), which it expects to be reflected in the next portfolio revaluation as at 31 May 2021, and the potential for further yield compression. In assessing the value creation opportunity within its landbank, and the timing thereof, the Board recognises that c.60% (c.12m sq ft) of the landbank does not currently have planning consent; specifically, c.30% of the planned development in FY23 remains subject to planning consent, rising to c.85% in FY25.

Delivery of this development potential will require significant additional capital, an acceleration in the pace of delivery from 1.2m sq ft in 2020 to up to c.2m sq ft per year from 2022, and further growth in occupier demand in the Midlands and West of England where St. Modwen's land holdings are concentrated. Based on a recently completed independent external valuation, the Board believes the book value of the land options in the c.12m sq ft controlled pipeline (which was c.£11m as at 30 November 2020) to be an accurate reflection of their current market value.

St. Modwen Homes

St. Modwen Homes (“SMH”) was established in 2012 and has since grown to delivering 1,060 units in 2019 and 948 units in 2020 (despite c.9-10 weeks of lost production due to the national lockdown in the spring) with a high quality, affordable family product and 5,900 plot pipeline in attractive regions.

Despite SMH’s strong growth, the business remains smaller in scale than the majority of its listed peers which is reflected in SMH’s lower operating and financial metrics. The Company is on track to increase completions by c. 25% and operating margin to c.14.5% in 2021, supported by recent positive trends in house prices. With an average sales rate of 0.86 over the last 12 weeks, the Company expects to complete c.450 units during the half year ending on 31 May 2021 (vs. 411 in H1 2019 and 280 in H1 2020).

The Company intends to grow completions to c.1,500 units by 2023 as the pipeline is built out and has also outlined its plan to increase operating margins to c.16-17% by 2023. This margin improvement is expected to be driven by an improvement in the gross margin embedded within the existing landbank of 19.5%, identified operational efficiencies, and assumed additional land acquisitions with a target gross margin of at least 22% to deliver c.19% of the targeted completions in 2023.

Whilst the Board remains confident of the scope for improving both the SMH operating margin and ROCE (which was 11.4% in 2019 and 7.7% in 2020) over time, it recognises the extended period of time required to deliver these improvements, as well as the inherent cyclicity in the housebuilding market.

Strategic Land & Regeneration

Strategic Land & Regeneration (“SL&R”) consists of a mixture of residential land, long-term regeneration sites and non-core retail and other assets. The Company’s strong land repositioning capability enables the long-term value creation in its logistics and housebuilding businesses, but the existing SL&R portfolio also includes several assets which do not support these sectors, or which, due to their size or other characteristics, are too long-dated and do not meet St. Modwen’s return requirements.

Since 2017, the SL&R portfolio has reduced in size from £1.2bn to £332m (as at 30 November 2020), due to a combination of disposals and, in 2020, £121m of write-downs on residential land and retail assets. The Company plans to sell £180-200m of SL&R assets by 2023 (of which £33m has already been sold or contracted for sale). The disposal programme includes a number of large assets with unique characteristics and others which require considerable investment in order to sell, and of the £332m portfolio, c.£100m is expected to be disposed beyond 2023.

Conclusion

The proposed acquisition of St. Modwen by Bidco follows the receipt of multiple proposals from Blackstone negotiated over an approximately 10 week period since St Modwen’s preliminary results announcement in February 2021 at which St. Modwen set out its strategy for the business. The Board believes that the Acquisition is in the best interests of St. Modwen shareholders by significantly accelerating the value that could be realised by St. Modwen independently. In reaching its conclusion, the Board has considered the following in particular:

- the risk-adjusted returns that may be generated by St. Modwen’s strategy as compared with the certainty of execution of the Acquisition, which represents an acceleration of expected value creation;
- that the offer price of 542 pence per St. Modwen share represents a premium of 23.8% to EPRA Net Tangible Assets Per Share of 438 pence as at 30 November 2020;
- that the offer price of 542 pence per St. Modwen share represents premia of 21.1% to the unaffected share price of 448 pence as at 6 May 2021, 37.2% to the volume weighted average share price of 395 pence over the 180-day period ending on 6 May 2021, and 39.0% to the share price of 390 pence as at 22 February 2021 prior to Blackstone’s first proposal;
- that the offer price of 542 pence per St. Modwen share exceeds the highest share price of 530 pence since the global financial crisis;
- that the Acquisition provides St. Modwen shareholders with the opportunity to realise the entirety of their interests in cash; and
- the impact of the Acquisition on all of St. Modwen’s stakeholders, including the importance of St. Modwen’s employees to Blackstone’s future strategy.

5. Background to and reasons for the Acquisition

Blackstone is a global leader in real estate investing with \$196 billion of investor capital under management dedicated to real estate. The Blackstone Real Estate group is highly active in both the logistics and residential segments. Blackstone’s pan-European logistics real estate platform, Mileway, is a leading urban logistics real estate business in Europe and the UK where it owns a 48m square foot urban logistics portfolio. In the UK residential sector, Blackstone’s Sage Housing platform is a registered provider of affordable housing, working with the largest homebuilders to deliver new housing for shared ownership and low-cost rental homes. Over the past three years, Sage Housing has delivered over 3,000 homes, with a pipeline of more than 14,000 under contract.

Bidco believes that while St. Modwen’s core logistics and residential business divisions each operate in attractive markets, realising the full potential of each division will require significant incremental scale and equity capital, which Bidco believes it is in a better position to provide to each business as a private company than St. Modwen can as a public company.

St. Modwen Logistics would be a complementary addition to Mileway’s existing portfolio and development activities. Bidco believes St. Modwen Logistics would be further enhanced by being part of Mileway’s broader pan-European platform. St. Modwen Logistics will require significant incremental capital to realise its full potential.

In order to maximise St. Modwen Homes’ full potential and achieve management’s objective of accelerating growth and operational efficiencies through scale, Bidco believes that St.

Modwen Homes would benefit from the incremental growth and capital investment opportunities that private ownership can bring.

St. Modwen is a UK-based real estate developer and investor and a constituent of the FTSE 250. The division is delivering development land to St. Modwen Homes, St. Modwen Logistics, and third-party housebuilders and has over 20,000 strategic residential plots in the pipeline. The majority of the division's existing portfolio is earmarked to be sold, as it is no longer core to St. Modwen's strategy.

8. Irrevocable undertakings

As described above, Bidco has received irrevocable undertakings to vote in favour of the resolutions relating to the Acquisition at the Meetings (or in the event that the Acquisition is implemented by an Offer, to accept such Offer) from all of the St. Modwen Directors who own St. Modwen Shares, in respect of their own beneficial holdings totalling 3,042,309 St. Modwen Shares, representing approximately 1.37 per cent. of issued ordinary share capital of St. Modwen on 19 May 2021 (being the Business Day prior to this announcement). The undertakings will remain binding in the event that a higher competing offer for St. Modwen is made.

Bidco has also received irrevocable undertakings to vote in favour of the resolutions relating to the Acquisition at the Meetings (or in the event that the Acquisition is implemented by an Offer, to accept such Offer) from members of the Clarke family, in respect of 11,621,472 St. Modwen Shares, representing approximately 5.22 per cent. of issued ordinary share capital of St. Modwen on 19 May 2021 (being the Business Day prior to this announcement).

In total, therefore, Bidco has procured irrevocable undertakings to vote in favour of the resolutions relating to the Acquisition at the Meetings (or in the event that the Acquisition is implemented by an Offer, to accept such Offer), including those from the St. Modwen Directors in respect of, in aggregate, 14,663,781 St. Modwen Shares, representing approximately 6.59 per cent. of existing issued ordinary share capital of St. Modwen on 19 May 2021 (being the Business Day prior to this announcement).

Further details of these irrevocable undertakings, including details on when they cease to be binding, are set out in Appendix 3 to this announcement.

9. Financing of the Acquisition

The cash consideration payable to the St. Modwen Shareholders under the terms of the Acquisition will be financed by equity to be invested by Blackstone Funds. In connection with the financing of Bidco, Blackstone Funds have entered into the Equity Commitment Letter.

Rothschild & Co in its capacity as financial adviser to Bidco, is satisfied that sufficient resources are available to Bidco to satisfy in full the cash consideration payable to the St. Modwen Shareholders under the terms of the Scheme.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

10. Offer-related arrangements

Confidentiality Agreement

Pursuant to the Confidentiality Agreement, amongst other things, Blackstone gave certain undertakings to: (a) subject to certain exceptions, keep information relating to St. Modwen and the Acquisition confidential and not to disclose it to third parties; and (b) use such confidential information only in connection with the Acquisition. These confidentiality obligations will remain in force until the earlier of 13 April 2023 and completion of the Acquisition by Bidco.

The Confidentiality Agreement also contains undertakings from Blackstone that for a period of one year after the date of the Confidentiality Agreement it will not, without St. Modwen's prior written consent (i) have any contact with any director, officer, employee, customer, contractor or sub-contractor of, or supplier of, or lender to a member of the St. Modwen Group, or (ii) solicit, engage, employ or offer to employ any director, officer or senior employee of the St. Modwen Group.

Pursuant to the Cooperation Agreement, Bidco and St. Modwen have, amongst other things, each agreed to: (i) cooperate in relation to obtaining any consents, clearances, permissions, waivers and/or approvals as may be necessary, and the making of all filings as may be necessary, from or under the law, regulations or practices applied by any applicable regulatory authority in connection with the Acquisition; and (ii) cooperate in preparing and implementing appropriate proposals in relation to the St. Modwen Share Plans. In addition, Bidco has agreed to certain provisions if the Scheme should switch to an Offer. The Cooperation Agreement will terminate in certain circumstances, including if the Acquisition is withdrawn, terminated or lapses, a competing offer completes, becomes effective or is declared unconditional, or if prior to the Long Stop Date any Condition has been invoked by Bidco, if the St. Modwen Directors withdraw their recommendation of the Acquisition or if the Scheme does not become effective in accordance with its terms by the Long Stop Date or otherwise as agreed between Bidco and St. Modwen. Pursuant to the terms of the Cooperation Agreement, Bidco undertakes that it will deliver a notice in writing to St. Modwen on the Business Day prior to the Sanction Hearing confirming either: (i) the satisfaction or waiver of the Conditions (other than the Scheme Conditions); or (ii) to the extent permitted by the Panel, that it intends to invoke or treat as unsatisfied or incapable of satisfaction one or more Conditions.

11. Disclosure of interests in St. Modwen securities

Except for the irrevocable undertakings referred to in paragraph 8 above and as disclosed in Appendix 3 to this announcement, as at close of business on 19 May 2021 (being the last practicable date prior to the date of this announcement) neither Bidco, nor any of its directors, nor, so far as Bidco is aware, any person acting in concert (within the meaning of the Takeover Code) with it for the purposes of the Acquisition (i) had any interest in or right to subscribe for or had borrowed or lent any St. Modwen Shares or securities convertible or exchangeable into St. Modwen Shares, or (ii) had any short positions in respect of relevant securities of St. Modwen (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery, or (iii) has borrowed or lent any relevant securities of St. Modwen (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code) save for any borrowed

shares which have been either on-lent or resold, or (iv) is a party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

'Interests in securities' for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to securities.

12. Directors, management, employees, pensions and locations

Bidco's strategic plans for St. Modwen

Bidco recognises the high quality of the portfolio of logistics assets that St. Modwen has developed over time. As set out in paragraph 5 (*Background to and reasons for the Acquisition*), Bidco believes that St. Modwen Logistics would be a complementary addition to Mileway, Blackstone's leading pan-European last mile logistics real estate platform, and would be further enhanced by being part of Mileway's platform. Following completion of the Acquisition, Bidco intends that St. Modwen Logistics would be integrated within the Mileway platform.

With regard to the St. Modwen Homes business, Bidco recognises that St. Modwen Homes is an award-winning house builder of high-quality new homes across key markets in the United Kingdom. Bidco believes that in order to maximise St. Modwen Homes' full potential and achieve management's objective of accelerating growth and operational efficiencies through greater scale, St. Modwen Homes would benefit from private ownership and the incremental growth opportunities that this can bring. Bidco values St. Modwen Homes' strong customer focussed approach and expects customer experience to be at the core of its ongoing strategy under Bidco ownership.

In relation to St. Modwen's Strategic Land & Regeneration division, Bidco is aware of the programme which St. Modwen management has previously announced in respect of disposal of non-core assets and surplus land. As part of its evaluation of the St. Modwen Group referred to below, Bidco will be carrying out an assessment of this programme. While no decisions have yet been made by Bidco in relation to specific actions that may be taken following such review, Bidco intends to support St. Modwen management in seeing this programme through to completion to the extent it has not been completed prior to the Effective Date.

Prior to this Announcement, consistent with market practice, Bidco has been granted access to St. Modwen's senior management for purposes of confirmatory due diligence. However, because of the constraints of a public offer process, Bidco has not yet had access to sufficiently detailed operational information to formulate a detailed strategy for St. Modwen.

Following the Acquisition becoming Effective, Bidco intends to work with St. Modwen's management to undertake a detailed evaluation of the St. Modwen Group. Bidco expects that this evaluation will be completed within approximately six to nine months from the Effective Date. The evaluation will include:

- engaging with the key stakeholders of each business;

- further evaluating St. Modwen's logistics portfolio (including both standing assets and land bank) with a view to implementing its integration into Mileway;
- assessing St. Modwen's programme for the disposal of non-core assets and surplus land; and
- assessing potential investment opportunities and strategic options that will support St. Modwen Homes' growth ambitions and overall strategy.

Employees and management

Bidco attaches great importance to the skill and experience of St. Modwen's management and employees and recognises the important contribution that the management team and employees of St. Modwen have made to the success of the business.

Following completion of the Acquisition, Bidco intends that the employees of St. Modwen that are predominantly assigned to St. Modwen Logistics will transfer across to Mileway, such that they would become employees of Mileway. Bidco confirms that its intention is for any individuals impacted to be treated in a manner consistent with Blackstone's high standards, culture and practices. Any transfer of employees to Mileway will be carried out in accordance with applicable law (including, informing and consulting obligations).

Other than a small and non-material reduction in headcount (subject to any informing and consulting obligations) within the central corporate and support functions (including listed company-related functions) following St. Modwen ceasing to be a listed company, Bidco does not intend to make any reductions to the St. Modwen Group's headcount. Any headcount reductions will be carried out in accordance with applicable law.

Other than the transfer of certain employees of St. Modwen Logistics to Mileway, Bidco does not intend to make any changes to the conditions of employment or the balance of skills and functions of the employees and management of the St. Modwen Group.

It is intended that, with effect from the Effective Date, each of the non-executive members of the St. Modwen Board shall resign from his or her office as a director of St. Modwen.

Existing rights and pensions

Bidco confirms that, following the Acquisition becoming Effective, the existing contractual and statutory employment rights, including pension rights, of all St. Modwen management and employees will be fully safeguarded in accordance with applicable law.

St. Modwen participates in a UK occupational pension scheme which has both a defined benefits section and a defined contribution section. The defined benefits section of the pension scheme is well-funded and as at 30 November 2020 was in surplus on an IAS 19 basis. The defined benefits section is closed to new members and future accrual of benefits. Bidco does not intend to make any changes to the current employer pension contribution arrangements, the accrual of benefits for existing members or the rights of admission of new members under the pension scheme.

Headquarters, locations, fixed assets and research and development

As set out above, Bidco intends that St. Modwen Logistics will, following completion of the Acquisition, be integrated into the Mileway platform.

Subject to the outcome of its strategic review to be undertaken following completion of the Acquisition, Bidco has no plans to undertake any change in the locations of St. Modwen's places of business. Whilst certain head office functions of St. Modwen Logistics will be integrated within the broader Mileway UK platform, Bidco has no plans to change the location of St. Modwen's headquarters from Birmingham.

No changes are envisaged with respect to the deployment of St. Modwen's fixed asset base (other than in relation to the non-core disposal programme referred to above) and, to Bidco's knowledge, St. Modwen has no research and development function.

Management incentive arrangements

Following the Acquisition becoming Effective, Bidco intends to review the management, governance and incentive structure of St. Modwen. Bidco has not entered into, and has not had material discussions on the terms of any form of incentivisation arrangements with members of St. Modwen's management, but may have discussions and enter into such discussions for certain members of the St. Modwen management team following the Effective Date.

Trading Facilities

St. Modwen Shares are currently listed on the Official List and admitted to trading on the London Stock Exchange. As set out in paragraph 15, applications will be made for the cancellation of the listing of St. Modwen Shares on the Official List and the cancellation of trading of St. Modwen Shares on the London Stock Exchange.

None of the statements in this paragraph 12 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

13. St. Modwen Share Plans

Participants in the St. Modwen Share Plans will be contacted regarding the effect of the Acquisition on their options and awards under the St. Modwen Share Plans and an appropriate proposal will be made to such participants which reflects their options and awards under the St. Modwen Share Plans in due course. Details of the impact of the Scheme on each of the St. Modwen Share Plans and the proposals will be set out in the Scheme Document.

14. Scheme process

The Acquisition is subject to the Conditions and certain further terms referred to in Appendix 1 to this announcement and to the full terms and conditions to be set out in the Scheme Document, and will only become Effective if, among other things, the following events occur on or before the Long Stop Date (or such later date as Bidco and St. Modwen may, with the consent of the Panel, agree and, if required, the Court may approve):

- a resolution to approve the Scheme is passed by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person

or by proxy, representing 75 per cent. or more in value of the Scheme Shares held by those Scheme Shareholders;

- the Special Resolutions are passed by the requisite majority of St. Modwen Shareholders at the St. Modwen General Meeting;
- following the Court Meeting and St. Modwen General Meeting, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by Bidco and St. Modwen); and
- following such sanction, an office copy of the Court Order is delivered to the Registrar of Companies.

The Conditions in paragraph 2 of Appendix 1 to this announcement provide that the Scheme will lapse if:

- the Court Meeting and the St. Modwen General Meeting are not held by the 22nd day after the expected date of the Court Meeting and the St. Modwen General Meeting to be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and St. Modwen);
- the Sanction Hearing to approve the Scheme is not held by the 22nd day after the expected date of the Sanction Hearing to be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and St. Modwen); or
- the Scheme does not become Effective by 11.59 p.m. on the Long Stop Date (or such later date as may be agreed between Bidco and St. Modwen and the Panel and the Court may allow).

If any Condition in paragraph 2 of Appendix 1 to this announcement is not capable of being satisfied by the date specified therein, Bidco shall make an announcement through a Regulatory Information Service as soon as practicable and, in any event, by not later than 7.00 a.m. on the Business Day following the date so specified, stating whether Bidco has invoked that Condition, (where applicable) waived that Condition or, with the agreement of St. Modwen, specified a new date by which that Condition must be satisfied.

Once the necessary approvals from St. Modwen Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived and the Scheme has been approved by the Court, the Scheme will become Effective upon delivery of the Court Order to the Registrar of Companies. Subject to the satisfaction of the Conditions, the Scheme is expected to become Effective during July 2021. The Conditions include the anti-trust Condition set out in paragraph 3(a) of Appendix 1 to this announcement. This Condition is expected to be satisfied in time to allow for the Scheme to become effective during July 2021.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the St. Modwen General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of St. Modwen Shares will cease to be valid and entitlements to St. Modwen Shares held within the CREST system will be cancelled. The consideration payable under the Scheme will be despatched by Bidco to Scheme Shareholders no later than 14 days after the Effective Date.

Any St. Modwen Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Special Resolutions to be proposed at the St. Modwen General Meeting will, amongst other matters, provide that the Articles be amended to incorporate provisions requiring any St. Modwen Shares issued after the Scheme Record Time (other than to Bidco and/or their nominees) to be automatically transferred to Bidco on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the Articles (as amended) will avoid any person (other than Bidco and their nominees) holding shares in the capital of St. Modwen after the Effective Date.

Bidco reserves the right to elect to implement the Acquisition by way of an Offer (as defined in section 974 of the 2006 Act) as an alternative to the Scheme (subject to the Panel's consent and the terms of the Cooperation Agreement). In such event, the Acquisition will be implemented on the same terms (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 75 per cent. (or such other percentage as Bidco may, subject to the rules of the Takeover Code and the terms of the Cooperation Agreement and with the consent of the Panel, decide) of the shares to which the Acquisition relates and those required by, or deemed appropriate by, Bidco under applicable law, so far as applicable) as those which would apply to the Scheme. Further, if sufficient acceptances of such offer are received and/or sufficient St. Modwen Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the 2006 Act to acquire compulsorily any outstanding St. Modwen Shares to which such offer relates.

Further details of the Scheme, including expected times and dates for each of the Court Meeting, the St. Modwen General Meeting and the Sanction Hearing, together with notices of the Court Meeting and the St. Modwen General Meeting, will be set out in the Scheme Document, which will be published within 28 days of this announcement (or such later time as St. Modwen, Bidco and the Panel agree). An updated valuation in respect of land options in St. Modwen's controlled pipeline will be made available on St. Modwen's and Bidco's websites at www.stmodwen.co.uk/investors and www.publishdocuments.co.uk by the time the Scheme Document is published.

15. Delisting, and cancellation of trading and re-registration

It is intended that the London Stock Exchange and the FCA will be requested respectively to cancel trading in St. Modwen Shares on the London Stock Exchange's market for listed securities and the listing of the St. Modwen Shares from the Official List on or shortly after the Effective Date.

It is expected that the last day of dealings in St. Modwen Shares on the Main Market of the London Stock Exchange is expected to be the date of the Sanction Hearing and no transfers will be registered after 6.00 p.m. (London time) on that date.

It is intended that St. Modwen be re-registered as a private limited company as part of the Scheme and for this to take effect as soon as practicable on or following the Effective Date.

16. Documents

Copies of the following documents will be available promptly on St. Modwen's and Bidco's websites, subject to certain restrictions relating to persons resident in Restricted Jurisdictions,

at www.stmodwen.co.uk/investors and www.publishdocuments.co.uk and in any event by no later than noon on the Business Day following this announcement:

- this announcement;
- the Confidentiality Agreement;
- the Cooperation Agreement;
- the irrevocable undertakings referred to in paragraph 8 above;
- the consents from financial advisers to being named in this announcement; and
- the Equity Commitment Letter.

Neither the content of the websites referred to in this announcement, nor any website accessible from hyperlinks, are incorporated into or form part of this announcement.

17. **General**

The bases and sources for certain financial information contained in this announcement are set out in Appendix 2 to this announcement. Details of undertakings received by Bidco are set out in Appendix 3 to this announcement. Certain definitions and terms used in this announcement are set out in Appendix 4 to this announcement.

The formal Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and St. Modwen General Meeting, together with the associated forms of proxy, will be posted to St. Modwen Shareholders within 28 days of this announcement (or on such later date as St. Modwen, Bidco and the Panel agree) and the Meetings are expected to be held shortly thereafter.

This announcement does not constitute an offer or an invitation to purchase or subscribe for any securities.

Overseas Shareholders

This announcement has been prepared in accordance with and for the purpose of complying with English law, the Takeover Code, the Market Abuse Regulation and the Disclosure Guidance and Transparency Rules and information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside England.

The release, publication or distribution of this announcement in or into certain jurisdictions other than the United Kingdom may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves of, and observe, any applicable requirements of their jurisdictions.

The availability of the Acquisition to St. Modwen Shareholders who are not resident in and citizens of the UK may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the UK should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in the United Kingdom to vote their St. Modwen Shares with respect to the Scheme at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document.

Unless otherwise determined by Bidco or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from any Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or from within any Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Notice to US investors in St. Modwen

The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Securities Exchange Act of 1934 (the “US Exchange Act”). Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.

The financial information included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) has been prepared in accordance with generally accepted accounting principles of the United Kingdom and thus may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

If, in the future, Bidco exercises its right to implement the Acquisition by means of an Offer which is to be made into the United States, such an Offer would be made in compliance with all applicable US laws and regulations, including any applicable exemptions under the US Exchange Act. Such an Offer would be made in the United States by Bidco and no one else.

In the event that the Acquisition is implemented by way of an Offer, in accordance with normal United Kingdom practice, Bidco or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of St. Modwen outside of the US, other than pursuant to such an Offer, during the period in which such an Offer would remain open for acceptances. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the United Kingdom, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its St. Modwen Shares pursuant to the Scheme may have tax consequences in the US and such consequences, if any, are not described herein. Each St. Modwen Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

St. Modwen is incorporated under the laws of England and Wales and Bidco is incorporated under the laws of Jersey. Some or all of the officers and directors of Bidco and St. Modwen, respectively, are residents of countries other than the United States. In addition, some of the assets of Bidco and St. Modwen are located outside the United States. As a result, it may be difficult for US holders of St. Modwen Shares to enforce their rights and any claim arising out of the US federal laws or to enforce against them a judgment of a US court predicated upon the securities laws of the United Kingdom. US holders of St. Modwen Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court’s judgement.

Forward-Looking Statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Bidco and St. Modwen contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco and St. Modwen about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Bidco and St. Modwen (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "intends", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco's, St. Modwen's, any member of the Bidco Group's or any member of St. Modwen Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco's, St. Modwen's, any member of the Bidco Group's or any member of the St. Modwen Group's business.

Although Bidco and St. Modwen believe that the expectations reflected in such forward-looking statements are reasonable, Bidco and St. Modwen can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco and St. Modwen operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Bidco and St. Modwen operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected,

estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither Bidco nor St. Modwen, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Given these risks and uncertainties, potential investors are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the St. Modwen Group, there may be additional changes to the St. Modwen Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

Other than in accordance with their legal or regulatory obligations, neither Bidco nor St. Modwen is under any obligation, and Bidco and St. Modwen expressly disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing and Opening Position Disclosure Requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) of the Takeover Code applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Takeover Code applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Part B: Further terms of the Acquisition

1. Subject to the requirements of the Panel in accordance with the Takeover Code, Bidco reserves the right in its sole discretion to waive:
 - (a) the deadline set out in paragraph 1 of Part A of this Appendix 1, and any of the deadlines set out in paragraph 2 of Part A of this Appendix 1 for the timing of the Court Meeting, St. Modwen General Meeting and the Sanction Hearing. If any such deadline is not met, Bidco shall make an announcement by 7.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with St. Modwen to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of the Conditions listed in Part A above, except for Conditions 2(a)(i), 2(b)(i) and 2(c)(i) (*Conditions of the Scheme*) which cannot be waived.
2. Conditions 3(a) to (l) (inclusive) must each be fulfilled, determined by Bidco to be or to remain satisfied or (if capable of waiver) be waived by Bidco by no later than 11.59 p.m. on the date immediately preceding the date of the Sanction Hearing, failing which the Acquisition will lapse. Bidco shall be under no obligation to waive or treat as

satisfied any of the Conditions that it is entitled (with the consent of the Panel) to invoke, by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.

3. If Bidco is required by the Panel to make an offer for St. Modwen Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
4. Under Rule 13.5(a) of the Takeover Code, Bidco may not invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. The Conditions contained in paragraphs 1, 2 and 3(a) above and, if applicable, any acceptance condition if the Acquisition is implemented by means of a takeover offer, are not subject to this provision of the Takeover Code.
5. Bidco reserves the right to elect to implement the Acquisition by way of a takeover offer (as defined in section 974 of the 2006 Act) as an alternative to the Scheme (subject to the Panel's consent and the terms of the Cooperation Agreement). In such event, the Acquisition will be implemented on the same terms (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 75 per cent. (or such other percentage as Bidco may, subject to the rules of the Takeover Code and the terms of the Cooperation Agreement and with the consent of the Panel, decide) of the shares to which the Acquisition relates and those required by, or deemed appropriate by, Bidco under applicable law, so far as applicable) as those which would apply to the Scheme. Further, if sufficient acceptances of such offer are received and/or sufficient St. Modwen Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the 2006 Act to acquire compulsorily any outstanding St. Modwen Shares to which such offer relates.
6. The Acquisition will lapse if (a) in so far as the Acquisition or any matter arising from or relating to the Scheme or Acquisition constitutes a concentration with a European Union dimension within the scope of Council Regulation (EC) 139/2004, the European Commission initiates proceedings under Article 6(1)(c) of Council Regulation (EC) 139/2004 or (b) the Acquisition or any matter arising from or relating to the Scheme or Acquisition becomes subject to a Phase 2 CMA Reference, in either case before 1.00 p.m. on or before the later of the date of the Court Meeting and the date of the St. Modwen General Meeting. In such event, St. Modwen will not be bound by the terms of the Scheme.
7. The Acquisition and the Scheme will be governed by English law and be subject to the jurisdiction of the English courts and to the Conditions set out above. The Acquisition and the Scheme will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Listing Rules, the FCA and the Registrar of Companies.
8. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

9. St. Modwen Shares which will be acquired under the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of capital (whether by reduction of share capital or share premium account or otherwise) made on or after the Effective Date.
10. If, on or after the date of this announcement and prior to the Effective Date, any dividend, distribution or other return of capital is declared, paid or made or becomes payable by St. Modwen in respect of the St. Modwen Shares, Bidco reserves the right (without prejudice to any right of Bidco, with the consent of the Panel, to invoke the Condition set out in paragraph 3(f)(ii) of Part A of this Appendix 1) to reduce the consideration payable under the terms of the Acquisition for the St. Modwen Shares by an amount up to the amount of such dividend and/or distribution and/or return of capital. In such circumstances, St. Modwen Shareholders would be entitled to retain any such dividend, distribution and/or other return of capital declared, made or paid.

If and to the extent that any such dividend, distribution or other return of capital is paid or made in respect of the St. Modwen Shares prior to the Effective Date, and Bidco exercises its rights under this paragraph 10 to reduce the consideration payable under the terms of the Acquisition for the St. Modwen Shares, any reference in this announcement to the consideration payable under the terms of the Acquisition shall be deemed to be a reference to the consideration as so reduced.

If and to the extent that any such dividend, distribution or other return of capital has been declared or announced but not paid or made or is not payable in respect of the St. Modwen Shares prior to the Effective Date or by reference to a record date prior to the Effective Date or is (i) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend, distribution or other return of capital and to retain it; or (ii) cancelled before payment, the consideration payable under the terms of the Acquisition for the St. Modwen Shares shall not be subject to change in accordance with this paragraph 10.

Any exercise by Bidco of its rights referred to in this paragraph 10 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Scheme or the Acquisition.

11. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.
12. The Acquisition will be subject, inter alia, to the Conditions and certain further terms which are set out in this Appendix 1 and those terms which will be set out in the Scheme Document and the Cooperation Agreement and such further terms as may be required to comply with the Listing Rules and the provisions of the Takeover Code.
13. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction. Any persons who are subject to the

laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
