

This letter is important and explains the impact of the Acquisition on your PSP Options and what you need to do. Please read this letter carefully as it requires your immediate attention.

If you are in any doubt as to the action you should take, you are recommended to seek your own independent financial advice immediately from a stockbroker, bank manager, solicitor, accountant or other independent financial or legal adviser authorised under the Financial Services and Markets Act 2000, if you are in the United Kingdom, or from another appropriately authorised independent financial adviser if you are in a territory outside the United Kingdom.

Dear Participant

St. Modwen Properties PLC 2017 Performance Share Plan (“PSP”) and the recommended all cash offer for St. Modwen Properties PLC by Brighton Bidco Limited

St. Modwen Properties PLC (“**St. Modwen**”) and Brighton Bidco Limited (“**Bidco**”) (a newly formed company indirectly owned by investment funds advised by the Blackstone Group Inc) announced on 20 May 2021 that they had reached agreement on the terms of a recommended all cash offer for the entire issued and to be issued share capital of St. Modwen by Bidco (the “**Acquisition**”).

An explanation of the defined terms used in this letter is provided in the Appendix.

ACTION REQUIRED: You will need to take action to realise value from any PSP Options that you hold as this will not happen automatically.

You may exercise your Vested PSP Options before the date of Court Sanction (“*Choice A*”) by completing the online exercise instruction on the Equiniti share portal.

If you want to exercise your Vested or Unvested PSP Options on Court Sanction (“*Choice B*”), you must complete the online exercise instruction on the Equiniti share portal as soon as possible, and by no later than 5:00pm (UK time) on 16 July 2021 (or any earlier deadline notified to you once the date of Court Sanction is known).

If you want to choose Choice A or B, it is recommended that you complete the relevant instruction as soon as possible.

If you want to exercise your Vested or Unvested PSP Options after Court Sanction (“*Choice C*”), you must complete the online exercise instruction on the Equiniti share portal within one month of the date of Court Sanction.

Please note that if you take no action your PSP Options will lapse one month after the date of Court Sanction, and you will not receive any value from your PSP Options. Further details about your choices are explained in section 6 below.

1. Why are we writing to you?

We are writing to explain how the Acquisition will affect your PSP Options and the decisions you need to make. **Please read everything in this letter and the Appendix carefully; the contents are very important.**

Summary of the choices available to you

If not exercised, your PSP Options will lapse one month after the date of Court Sanction, and you will not receive any value for your PSP Options.

Choice A: Exercise your Vested PSP Options before Court Sanction

- You can exercise any Vested PSP Options before Court Sanction (unless they lapse earlier under the PSP Rules) by completing the online exercise instruction on the Equiniti share portal in the usual way.
- On exercise, St. Modwen Shares will be issued or transferred to you. You will be subject to income tax and social security contributions on the market value of the St. Modwen Shares on that date, and any applicable fees.
- If you sell your St. Modwen Shares before the Scheme Record Time, they will be sold at their market value on the date of sale and the proceeds paid to you (less any income tax and social security contributions that St. Modwen is required to withhold and any applicable fees). If you do not sell all of your St. Modwen Shares before the Scheme Record Time then they will automatically be purchased in the Acquisition for £5.60 (the “Offer Price”).

If you want to make Choice A, you must complete an online exercise instruction on the Equiniti share portal by the applicable deadline.

Choice B: Apply now to exercise your Vested or Unvested PSP Options on Court Sanction

- You can choose to exercise your PSP Options conditional on Court Sanction (unless they lapse earlier under the PSP Rules) by completing an online exercise instruction via the Corporate Action Journey on the Equiniti share portal.
- The St. Modwen Shares which will be issued or transferred to you will then automatically be purchased under the Acquisition. You will receive the Offer Price (£5.60) per St. Modwen Share (less any income tax and social security contributions that St. Modwen is required to withhold and any applicable fees).

If you want to make Choice B, you must complete an online exercise instruction on the Equiniti share portal by 5:00pm (UK time) on 16 July 2021.

Choice C: Exercise your Vested or Unvested PSP Options up to one month following Court Sanction

- If the Acquisition goes ahead, you can exercise your PSP Options for up to one month from the date of Court Sanction (unless they lapse earlier under the PSP Rules) by completing an online exercise instruction on the Equiniti share portal.
- The St. Modwen Shares which will be issued or transferred to you will then automatically be purchased by Bidco. You will receive the Offer Price (£5.60) per St. Modwen Share (less any income tax and social security contributions that St. Modwen is required to withhold and any applicable fees).
- If you decide to exercise your PSP Options under **Choice C**, you will receive the cash for your St. Modwen Shares later than under **Choices A or B**.

Further details about your choices are set out in section 6 of this letter.

2. The Acquisition

The Acquisition will result in St. Modwen and its subsidiaries becoming wholly-owned subsidiaries of Bidco.

The Acquisition will take place through what is called a “scheme of arrangement” (the “**Scheme**”). This is a procedure that is subject to approval by St. Modwen Shareholders and the Court on a date referred to in this letter as “**Court Sanction**”. Court Sanction is not the date on which the Acquisition will be completed. The Acquisition is currently due to complete a couple of days after Court Sanction on “**Completion**”.

Further information on the Scheme is set out in the Scheme Document sent to St. Modwen Shareholders on 24 June 2021. A copy of the Scheme Document is also available on the [St. Modwen website](#).

An explanation of the defined terms used in this letter is provided in the Appendix.

3. What are the terms of the Acquisition?

St. Modwen Shareholders will be entitled to receive the Offer Price in cash for each St. Modwen Share they own at the Scheme Record Time. The terms of the Acquisition are set out in full in the Scheme Document. Your choices are explained in more detail in section 6.

4. When is the Acquisition likely to take place?

The Acquisition is currently expected to become effective by early August 2021.

5. How will the Acquisition affect my PSP Options?

Vested PSP Options

If your PSP Options have already vested they are exercisable in accordance with the PSP Rules. However, as a result of the Acquisition, the exercise period for your Vested PSP Options will end early. Your Vested PSP Options will cease to be exercisable one month after the date of Court Sanction, unless they lapse earlier in accordance with the PSP Rules (in which case they will lapse at that point if they are not exercised). If you wish to exercise your PSP Options, an explanation of the steps you will need to take is set out in section 6 below.

If the Acquisition does not happen for any reason, your Vested PSP Options will continue to be exercisable until their normal lapse date, subject to the PSP Rules.

Unvested PSP Options

The Acquisition will change the usual treatment of your Unvested PSP Options.

Normally, your Unvested PSP Options would vest (subject to the satisfaction of applicable performance conditions) in full on the normal vesting date and the St. Modwen Shares under the PSP Options would be transferred to you. However, as a result of the Acquisition, your Unvested PSP Options will vest (subject to the satisfaction of any applicable performance conditions and time pro-rating) and become exercisable on Court Sanction, unless they lapse earlier in accordance with their terms.

The extent to which your Unvested PSP Options will vest and become exercisable is subject to: (i) satisfaction of applicable performance conditions, which will be determined by the Remuneration Committee on or shortly before Court Sanction; and (ii) unless the Remuneration Committee decides otherwise, time pro-rating. Once the Remuneration Committee has determined the extent to which your Unvested PSP Options will vest and become exercisable (if at all), you will be notified of its decision. Any part of your PSP Options that does not vest will lapse on Court Sanction.

If the Acquisition does not happen for any reason, your Unvested PSP Options will continue as normal, subject to the PSP Rules.

6. What are my choices?

You will have the following choices in relation to your PSP Options.

Choice A: Exercise your Vested PSP Options before Court Sanction

If you hold Vested PSP Options they are already exercisable. You can elect to exercise your Vested PSP Options before Court Sanction by completing an online exercise instruction on the Equiniti share portal (www.esp-portal.com/clients/StModwen) in the usual way.

If you exercise your Vested PSP Options and sell your St. Modwen Shares on exercise, the St. Modwen Shares will be sold at their market value on the date of sale and the cash proceeds will be paid to you as soon as practicable after the date of exercise, less any income tax and social security contributions that St. Modwen is required to withhold and any applicable fees.

However, if you elect to exercise your Vested PSP Options before Court Sanction and hold your St. Modwen Shares, you will be subject to income tax and social security contributions on the market value of the St. Modwen Shares on that date. A sufficient number of St. Modwen Shares that you acquire on exercise of your Vested PSP Options will be sold on your behalf to cover those taxes and any applicable fees.

The balance of St. Modwen Shares that you hold at the Scheme Record Time will be acquired by Bidco under the Acquisition and you will receive £5.60 per St. Modwen Share.

If you want to make *Choice A*, please access the Equiniti share portal and complete an online exercise instruction as soon as possible during St. Modwen's normal exercise windows.

Choice B: Apply now to exercise your PSP Options conditional on Court Sanction

You can elect to exercise your Vested or Unvested PSP Options conditional on Court Sanction.

If you do this, the St. Modwen Shares which will be issued or transferred to you will be automatically acquired by Bidco and you will receive £5.60 per St. Modwen Share, less any income tax and employee's National Insurance contributions that St. Modwen is required to withhold (see section 11) and any applicable fees.

If you want to make *Choice B*, please access the Equiniti share portal and complete an online exercise instruction as soon as possible and by no later than 5:00 pm (UK time) on 16 July 2021 or any earlier deadline notified to you once the expected date of Court Sanction is known.

You should check the date on which your Vested PSP Options lapse before electing for this choice, to make sure they do not lapse before Court Sanction.

Choice C: Exercise your PSP Options up to one month following Court Sanction

If the Acquisition goes ahead, you will be able to exercise your PSP Options until one month after the date of Court Sanction (unless they lapse earlier in accordance with the PSP Rules).

If you do this, the St. Modwen Shares which will be issued or transferred to you will be automatically acquired by Bidco and you will receive £5.60 per St. Modwen Share, less any income tax and employee's National Insurance contributions that St. Modwen is required to withhold (see section 11) and any applicable fees.

Please note that if you decide to exercise your vested PSP Options under ***Choice C***, you will receive the cash proceeds due to you later than under ***Choices A*** and ***B***.

If you want to make *Choice C*, please access the Equiniti share portal and complete an online exercise instruction before your PSP Options lapse.

If you do not exercise your PSP Options within one month after the date of Court Sanction, your PSP Options will lapse automatically and you will not receive any value.

Any St. Modwen Shares to which you become entitled as a result of the exercise of your PSP Options in connection with the Acquisition, no matter which choice you select, will be held on your behalf by Equiniti Trust (Jersey) Limited (the "**EBT Trustee**"), as your nominee.

7. When will I receive the money?

If you select ***Choice A*** and sell your St. Modwen Shares straightaway, the cash proceeds will be paid as soon as practicable after the date of exercise.

If you select either ***Choice A*** and keep your St. Modwen Shares or select ***Choice B***, the cash proceeds will be paid to you as soon as reasonably practicable once the funds are received from Bidco after Completion – this is expected to be within 14 days of Completion.

If you select ***Choice C***, the cash proceeds will be paid as soon as practicable following receipt from Bidco.

In all cases the cash proceeds will be paid into your usual salary bank account.

8. What if the Acquisition does not complete?

If you hold Vested PSP Options and Court Sanction does not happen for any reason, your Vested PSP Options will continue to be exercisable until they lapse as normal under the PSP Rules.

If you hold Unvested PSP Options and Court Sanction does not happen for any reason, your Unvested PSP Options will vest and become exercisable on the normal vesting date in accordance with the PSP Rules.

9. What if I leave employment with the St. Modwen Group?

If you leave employment with the St. Modwen Group before exercising your PSP Options (or if you have already left as a “good leaver”), the leaver provisions under the PSP Rules will apply in the normal way. This means that:

- if you leave for a “good leaver” reason under the PSP Rules, the default position is that:
 - your Unvested PSP Options will not lapse but will vest on the normal vesting date (or on Court Sanction, if earlier), subject to time pro-rating and will be exercisable until the earlier of: (i) the date 12 months from the date of vesting; and (ii) the date one month after the date of Court Sanction; and
 - your Vested PSP Options will continue to be exercisable until the earlier of: (i) the date 12 months from the date of vesting; and (ii) the date one month after the date of Court Sanction; or
- if you leave for a reason other than a “good leaver” reason, your PSP Options will lapse immediately when you leave employment.

Special rules apply on death.

Please note that if you leave the St. Modwen Group and do not qualify as a “good leaver” before Court Sanction, your PSP Options will lapse before Court Sanction, meaning that any **Choice B** instruction you have made will not take effect. Your election will not be affected if you qualify as a “good leaver”, provided your PSP Options have not lapsed before Court Sanction.

10. What if I am a PDMR or an insider?

If you are a Person Discharging Managerial Responsibilities (“**PDMR**”) or a restricted person under the St. Modwen Share Dealing Code (the “**Dealing Code**”) (a copy of which is available on Catalyst), or you have otherwise been told that the Dealing Code applies to you, you must obtain permission to exercise your PSP Options under the Dealing Code before you submit an online exercise instruction and your instruction must be submitted as soon as possible and in any event within two business days of permission being granted. You can seek permission to deal by following the process set out in the Dealing Code. However, unless exceptional circumstances exist it is unlikely you will be granted permission to deal whilst you are an insider or, if you are a PDMR or closely associated person of a PDMR, during a closed period.

11. What are the tax implications?

If you: (i) exercise any Vested PSP Options before Court Sanction (**Choice A**); or (ii) exercise any PSP Options conditional on Court Sanction (**Choice B**) or within one month after the date of Court Sanction (**Choice C**), you will receive St. Modwen Shares.

You will be subject to income tax and employee's National Insurance contributions (the "**Tax Liability**") on the market value of those St. Modwen Shares on the date of exercise. While we do not know what the market value of a St. Modwen Share will be at the relevant time, in order to plan ahead, you may find it useful to note that under the Acquisition Bidco is offering £5.60 pence in cash for each St. Modwen Share.

Current income tax rates for the 2021/2022 tax year are 20% for basic rate taxpayers, 40% for higher rate taxpayers and 45% for additional rate taxpayers. Employee's National Insurance Contributions rates are 12% of earnings between £184 - £967 per week; and 2% of earnings above £967 per week.

If you select **Choice A and sell your St. Modwen Shares straightaway**, or if you select **Choices B or C**, no capital gains tax ("**CGT**") is expected to arise because you will have paid the Tax Liability and the amount on which you paid income tax is the base cost of those St. Modwen Shares. However, if you select **Choice A**, keep your St. Modwen Shares until the Scheme Record Time and then sell your St. Modwen Shares to Bidco under the Acquisition, the excess of the cash proceeds to be paid by Bidco under the Acquisition over the market value of those St. Modwen Shares on the date of exercise may be subject to CGT to the extent that the excess (together with any other capital gains that you make) exceeds your CGT annual exemption in the relevant tax year. For the tax year ending 5 April 2022, the annual exemption is £12,300. If your aggregate capital gains are likely to exceed your annual exemption, you are strongly recommended to seek your own independent tax advice.

The above assumes you are resident and domiciled in the United Kingdom at all relevant times. This information is intended as a general guide only and does not constitute tax advice to any individual participant. Please remember that tax law can and often does change, and you should not necessarily assume the current tax position will continue. We strongly recommend that if you are unsure how your PSP Options will be taxed you seek advice from an independent financial or tax adviser in your country.

Please note that none of St. Modwen, Bidco or Equiniti can provide you with legal, personal tax or financial advice. If you are in any doubt as to the contents of this letter or the action you should take, you are recommended to seek your own independent financial advice immediately from a stockbroker, bank manager, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended from time to time) if you are resident in the United Kingdom, or from another appropriately authorised independent financial adviser if you are taking advice in a territory outside the United Kingdom.

12. What if I participate in other St. Modwen share plans?

If you participate in other St. Modwen share plans you will receive separate letters about the effect of the Acquisition on your other share options. Please also read those letters carefully.

13. What if I have questions?

If you have any questions that relate to your PSP Options, what your choices are or how to access your Equiniti share portal account, please contact Equiniti helpline on 0371 384 2891. Lines are open 08:30 – 17:30 Monday to Friday, excluding weekends and UK Bank Holidays. Please note

14. Proposals: Recommendation

The St. Modwen Directors recommend that you select either *Choice A* or *Choice B*. You should, however, consider your own personal circumstances, including your tax position, when deciding your preferred timing for exercising your options.

The St. Modwen Board, which has been so advised by Lazard and Numis as to the financial terms of the proposals, considers the terms of the proposals described above to be fair and reasonable in the context of the Acquisition. In providing their advice to the St. Modwen Board, Lazard and Numis have taken into account the commercial assessments of the St. Modwen Board. Lazard

and Numis are providing independent financial advice to the St. Modwen Board for the purposes of the City Code on Takeovers and Mergers.
